

The 7th International Palaeontological Congress

The History and pre–history of palaeosciences, geomyths, and indigenous palaeontology

The fossils have fascinated cultures globally since the dawn of humankind. Our thirst for palaeontology is deeply rooted in human cognition. This symposium will accept submissions about any aspect of the history of palaeosciences, geomythology, indigenous palaeontology, and the archaeology of fossil hunting from any continent and culture.

Conveners:

- Julien Benoit (julien.benoit@wits.ac.za)

If you are interested in this symposium, please contact the convenors.
